93. Basement insulation to be installed to within approximately 8" above the basement slab in the basement area. Note: Basement walls are not strapped.
94. Spray foam insulation to garage ceiling below any habitable space above.

GENERAL PROVISIONS

1. The Purchaser hereby acknowledges and agrees that due to grading, drainage, building code requirements or other conditions or issues, the Vendor, in its sole discretion, may make changes to modify the floorplan, add and/or eliminate doors or steps without adjustment to the purchase price and without further notice to the Purchaser, including without limitation:
 - a. Eliminating the door between the garage and the laundry/utility room.
 - b. Eliminating the side door.
 - c. Installing step(s) with or without a railing in the garage due to different grading may interfere with or limit the use of the interior of the garage.
 - d. Lowering or creating a step down into the laundry/utility room to accommodate the garage door and/or side door to the laundry/utility room.
 - e. Installing a deck depending upon the grading requirements for that particular lot.
 - f. Entry steps may be required, varied, and/or eliminated to the house due to grading conditions.
2. The Purchaser acknowledges that finishing materials contained in any model home or sales office display including but not limited to, broadloom, furniture, electrical fixtures, drapes, ceramic flooring, upgrades kitchen cabinets, stained staircases, railing, wallpaper, paint, landscaping and fencing, may be for display purposes only and may not be of the same grade or type, or may not be included in the dwelling unit purchased herein.
3. Interior design consultation at The Design Studio on all finishes and colour packages included in purchase price. All interior floor, wall finishes and materials are to be chosen with the assistance of the Vendors Interior Design Consultant. All materials and other selections for which the Purchaser is entitled to make a selection are to be chosen from Vendors samples and are as per Vendor's specifications. Purchaser shall only be entitled to make such selections provided that the items are not already ordered or installed.
4. Purchaser acknowledges the right reserved and/or easement in favour of the Vendor permitting entry for installation of berms, fences and/or landscaping, and the purchaser further acknowledges their undertaking to maintain the berms, fences and/or landscaping after installation.
5. The Purchaser acknowledges that the Vendor will only replace any obvious floor tile damages caused by settlement within the first year of closing, provided the Vendor is able to match the floor tile dye lots, colours and/or designs.
6. The Purchaser understands that the engineered flooring system comprises of some natural components and is subject to environmental factors. Indoor and outdoor humidity levels may influence its appearance by way of cupping and/or shrinkage of this material.
7. The purchaser acknowledges that all features are as per applicable plan and are not standard on all plan types.
8. The Vendor shall have the right to at any time without notice to the Purchaser substitute other products and materials for those listed in this Schedule 'A' or provided for in the plans and specifications, provided that the substituted products and materials are of a quality equal to or better than the products and materials so listed or being substituted.
